

A WINTER WONDERLAND OF CHOICE

Keep warm, look good. That sums up the One Up Golf Collection for winter, where colour plays an important part in making a high fashion statement. Known for its quality, styling and stunning designs, One Up Golf's Winter Collection brings exciting golf clothing to your doorstep.

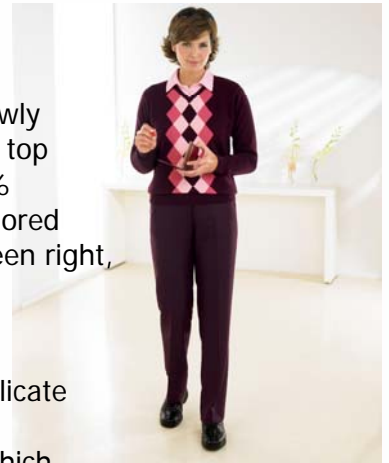

The soft warm tones of aubergine and pink make this stunning Rosewood Sweater (GKN7725, £55, S - XL) a winning design.

Exclusive to One Up Golf, the bold diamond pattern on the front is a contemporary twist on a classic design. In luxurious 100% lambswool it is perfect for those chilly days ahead and this sweater machine washes like a dream.

One Up Golf's Winter Flat Front Trousers (GTR7703, £55, sizes 10 – 20) have been newly designed for a flattering shape. Made from a top quality winter weight, wool blend fabric (45% wool, 55% polyester) they are beautifully tailored

and designed with comfort in mind. In a lovely new aubergine, as seen right, they are also available in a versatile navy colour.

This feminine Fleur Polo Shirt (GTO7711, £29.50, S - XL) features a delicate floral print in warm cream and caramel.

In a 100% soft cotton interlock fabric, which is easily machine washed, it can be worn alone or with a fabulous sweater such as this luxurious champagne 100% Lambswool Sweater, also from the One Up Golf Winter Collection.

Roll neck tops are a great way to brighten up your winter wardrobe and to mix and match. The Eton Roll Neck (GTO7704, £27.50, S - XL) features a fresh looking blue and navy check on a white background. This distinctive roll neck is an indispensable golfing essential with a touch of stretch at

collar and cuffs to ensure it always stays in shape. In 100% soft cotton interlock fabric, it is machine washable. Seen here it is teamed up with a One Up Golf 100% Lambswool Sweater in a new Glacier colour for 2007/8 winter season.
