

One Up Golf Gets Ready for Spring

The new 48 page full colour brochure from One Up Golf featuring its Spring Collection is bound to cheer and get you in the mood for some longer, warmer days on the golf course.

Brimming with colour, style and lots of new designs for the coming season, lady golfers will delight in the wide range of trousers, tops and knitwear, all fashioned to co-ordinate and fit better than ever before.

One of the stunning new tops is the Marina Polo Shirt with a striking print which certainly brings style to the golf course. A navy and white floral print, the Marina Polo Shirt is available as either a short sleeve (GTO6018) at £27.50 or sleeveless polo shirt (GTO6019) at £25. Both styles are in easy machine wash 100% cotton and come in sizes S.M.L.XL. There's also a matching Marina Push On Visor (GHA6058) covered in the same material which can be sponge cleaned or hand washed and sells at £12.50.

Stripes are always smart and popular and the new Miami Stripe Polo Shirts are no exception. They feature a soft V-neckline with collar and are available as a short sleeve (GTO6025) at £25.00 or sleeveless style (GTO6026) at £22.50.

In S.M.L.XL both these new garments have been fashioned in 100% machine wash cotton for easy wear and care. Our picture shows the short sleeve Miami Polo Shirt worn with Summer Softline Trousers which, for the first time, come in black as well as popular navy and stone colours. These Summer Softline Trousers (GTR4025) offer a fabulous, flattering, flat front without pleats for a slim profile. They come in 65% polyester, 35% cotton which wears and washes like a dream.

All items from the One Up Golf Spring Collection as featured in the new brochure are also available from the One Up Golf Shop in Castle Ashby, Northamptonshire.

The new One Up Golf collection really has something for everyone. To obtain a copy of the 2006 Spring brochure call 0870 787 2011 or visit www.oneupgolf.co.uk.
