

## Keeping Warm in Style

Keeping warm and staying stylish this winter has never been so easy with One Up Golf's new collection of luxurious knitwear. With a wide selection of colours and styles all designed to co-ordinate beautifully with One Up Golf's collection of winter trousers, tops and accessories, you really will be bringing style to the golf course.

Made in the UK specially for One Up Golf, the new Vermont winter sweater (GKN6115, £55) is a truly striking design. In soft warm tones of caramel and cream it looks feminine whatever you wear it with. In a luxurious merino wool blend it is perfect for those chilly days ahead.

Look stunning in the fabulous new Baby Cable Sweater (GKN6222, £60). In a luxurious merino wool blend it has a wonderful all over cable design and is specially hand finished. The gorgeous raspberry colour, worn over our Long Sleeve Polo Shirt (GTO6103, £27.50) in a soft white interlock, creates a really feminine look both on and off the golf course.

One Up Golf has introduced a selection of new colours to its ever popular range of Lambswool Crew Neck Sweaters (GKN6113, £50) made from 100% pure new wool. With a new feminine fit, these lovely sweaters are soft, warm, comfortable and machine washable. The saddle shoulder gives a fashionable look with plenty of room in the sleeves for extra layers underneath. Shown here in Pretty pink, they are also available in Champagne, Paradise blue, Pearl grey, Damson and Navy.

A slipover is a key item in every golfer's wardrobe as it is so versatile and can be worn over a polo shirt or a roll neck. The new Ferndale Slipover (GKN6116, £45) is no exception. Made exclusively for One Up Golf, it has a brand new all-over herringbone pattern. In a top quality merino wool blend it feels warm and cosy and always looks very smart in these perfect winter shades of Navy and Damson.
