

SINGING IN THE RAIN WITH ONE UP GOLF

You'll be singing in the rain with the fabulous and extensive collection of versatile rainwear from One Up Golf, whether you are a personal shopper at their retail store in Castle Ashby or shopping by post or via their website (www.oneupgolf.co.uk). Choose from lightweight, fleece lined water-resistant convertible and reversible jackets for all year round comfort, or waterproof jackets with three quarter length zip out sleeves and matching trousers in the latest breathable technology fabrics or a Windfleece jacket and trousers.

One of the most popular jackets in the One Up Golf collection is the Stormtech Convertible Jacket (GWA4115, £75). A reversible jacket in a vibrant ribbon red, the water-resistant shell is lined with lightweight black fleece so you can ring the changes and, furthermore, if the weather cheers up you can zip out the sleeves to sport a high fashion gilet! It is also available in blue and navy. In 100% polyester for easy machine washing, this style comes in S.M.L.XL. Our pictures show the jacket in red/black and in blue as a gilet.

Stormtech Waterproof Jacket and Trousers are another winning combination from One Up Golf. The lightweight jacket and trousers are made using the very latest waterproof and breathable technology. The soft, flexible jacket (GWA6200, £65) has fully sealed seams and three quarter length zip out sleeves which are ideal for changeable weather. It has a stand up collar, zip front, two zipped front pockets and adjustable cuffs.

The matching trousers (GWA6201, £40) feature fully sealed seams, elastic waistband with an adjustable draw cord. The complete suit will fit neatly into a golf bag, proving an indispensable partner on the golf course. Both jacket and trousers are 100% polyester, machine washable and come in S.M.L.XL sizes.

Driza-Bone Windfleece and matching trousers provide another shower-resistant option. As its name suggests, this high performance golf wear has a wind and shower-resistant Teflon coated microfibre outer. The Windfleece (GWA6204, £65) features a micro-fleece body and a heavier fleece collar for warmth, with lightweight mesh sleeves for freedom of movement. It has two front pockets, draw hem and

adjustable velcro cuffs. The matching Windfleece Trousers (GWA6225, £50) are fully fleece-lined for warmth and comfort and can be worn alone or simply over a pair of tights. Both garments are 100% polyester, machine washable and come in sizes S.M.L.XL and come in mauve and royal blue.

Driza-Bone's Waterproof Caspian Jacket (GWA6202, £85) is a fabulous blouson style, with generous underarm cut, in a soft Teflon coated microfibre outer and waterproof, breathable inner lining. It features two zipped pockets, velcro adjustable cuffs and carries a two year guarantee. It comes in a great burgundy colour, as shown, as well as stone. The Caspian Trousers (GWA6203, £50) in navy match the trim on the jacket and are made of the same fabric combination and feature a spring toggle adjustable waist, zipped front pockets and a back flapped pocket. Both jacket and trousers are 100% polyester, machine washable and come in S.M.L.XL sizes.

The new Autumn brochure from One Up Golf will be available towards the end of September, and if you would like to request a copy for yourself or for a friend, please call 0870 787 2011 or visit the website and shop on line at www.oneupgolf.co.uk. Personal shoppers are welcome at the One Up Golf Shop in the pretty Northamptonshire village of Castle Ashby, where the shop enquiry line is 01604 696222.
